

Man-Ping Chen

ReactJS Frontend Developer *2020 - present*

UI/UX Designer *2019 - present*

Web Designer & Developer *2011 - 2020*

Expertise in web app development using ReactJS, UI frameworks, REST API, JavaScript, HTML and CSS.

With the ability of self-discipline, project management, and problem-solving skills, I can work in a Scrum team or independently.

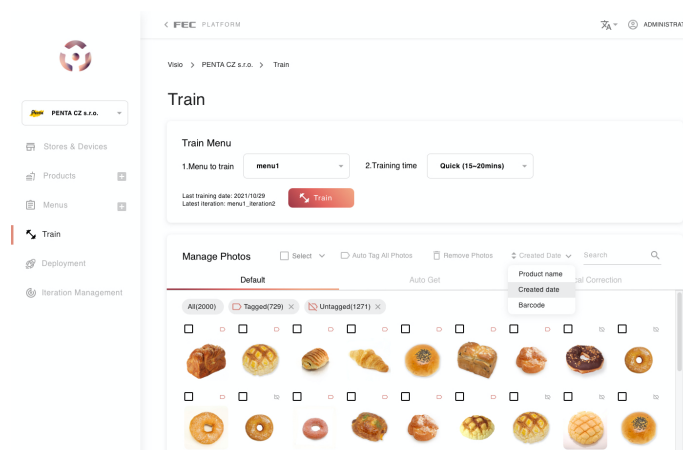

I am passionate about how to integrate web development and design to deliver a better experience and am always willing to learn and develop new skills to improve my work performance.
