Man-Ping Chen

ReactJS Frontend Developer 2020 - present

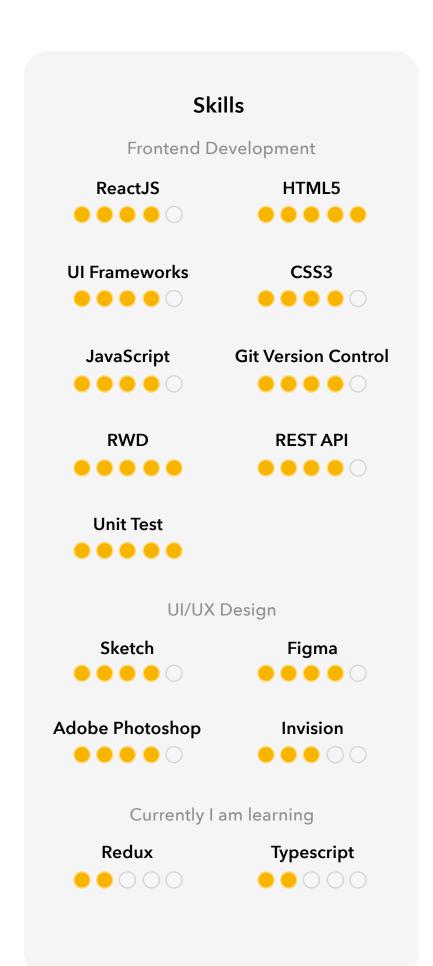

UI/UX Designer 2019 - present

Web Designer & Developer 2011 - 2020

Expertise in web app development using ReactJS, UI framworks, REST API, JavaScript, HTML and CSS.

With the ability of self-discipline, project management, and problem-solving skills, I can work in a Scrum team or independently.

I am passionate about how to integrate web development and design to deliver a better experience and am always willing to learn and develop new skills to improve my work performance.
